

Circular No 83/2021-22

21st September 2021

The International Literacy Day (ILD) is celebrated every year by the Department of School Education & Literacy (DoSEL) to remind the importance of literacy as a matter of dignity and human rights and to advance the literacy agenda towards a more literate and sustainable society. One of the areas of focus this year is – increased awareness of the importance of literacy and digital skills for a human-centred recovery and possible ways to make policies, measures and interventions for youth and adult literacy better and more inclusive to counter the digital divide.

As a part of Shikshak Parv celebrations, the Department of School Education & Literacy (DoSEL) organized a webinar on the theme ‘Digital Literacy for Youth and Adults’ on International Literacy Day. The link for the webinar on Digital Literacy for youth and Adults is given below for your reference:

https://youtu.be/h_3nq_F6gmw

Let’s together raise awareness about the value of literacy and to encourage our children and adults to develop their literacy skills.
