

“Its not how much we give but
how much love we put into giving”

Dear Parent,

It's said that charity begins at home and it's further reinforced at school and we would like our children to contribute to the society in meaningful ways during their school-life and beyond. A good deed is always cherished and nourished by everyone and the impressionable little ones follow it stalwartly.

AVN Vida International School has taken up a donation drive to help the needy orphans. Henceforth, we want your wards to involve and make it as a life-long experience by donating as per the table given below (Please adhere to the items given as per the grade level). We request you to promote your child to come forward and donate generously. The last date to donate is **Friday, 22nd December 2023**. Let's stand up together to spread the light of joy around and fill as many hearts as possible, with happiness, by making a wilful effort to contribute wholeheartedly towards the donation drive.

'When you light up a lamp for others, it brightens up your path too'. Together we'll start the New Year 2024 in a meaningful way. Your contribution will help the forsaken kids to celebrate their Christmas and New year in a joyful spirit.

Note:

- ❖ Donation is out of your will and not a compulsion.
- ❖ Share only the new ones, Kindly refrain from sharing the used ones.
- ❖ Few student volunteers will be taken to the orphanage on the day of donating.
