

Circular No.39/2023-24

18th July 2023

“One small step is all that it takes. Save water. Save our planet.”

Greetings from AVN Vida International School!

Dear Parent,

AVN Vida always strives to inculcate social responsibility among its students from the foundational stage. Therefore, we will be celebrating **Blue Day- Save Water' on Friday, 21st July 2023**. Parents are requested to send the children **dressed in blue colour**.

The objective of celebrating this day is to make the kids aware of the **colour blue** and **learning the significance of saving water**.

On account of the special day, we have planned to conduct a poem recitation competition to enhance the holistic development of our students.

Name of the competition	Topic/ Theme/Instruction	Instruction	Judgement Criteria
Poem Recitation (21 st July 2023)	Save Water	Participants can also use props, pictures etc. to add value to the competition.	Content-2M Voice Modulation-2M Confidence-1Ms

We look forward to your support and cooperation!

s/d

Principal.
