18<sup>th</sup> July 2023

National Defence Academy (NDA) is the only Tri-Services Training Academy and an iconic institution which attracts not only the finest young men from all corners of the country, but also from friendly foreign countries. In the seven decades of its service to the nation, the academy had grown both in grace and grandeur. Military leaders graduated from the NDA have proved their mettle during various wars fought by the Indian armed forces.

Since the institution requires highly motivated youth for its primary role of training cadets to become officers and serve as feeder initiation to Pre-Commission Training academies of the Indian Armed Forces, the academy is conducting a number of events such as all India Inter-School Quiz Competition 'WizQuiz', to increase awareness about the National Defence Academy (NDA) as an attractive career option amongst students.
