

Dear Parent,

Greetings from AVN Vida International School!

Dear Parent,

An educational trip is an off-campus learning activity that brings excitement and adventure to learning. A well-planned educational trip is an ideal way to introduce new skills and concepts to the children. In order to provide authentic, hands-on, experiential learning opportunities where students can connect what they are learning in classroom, in a real-world context an educational trip to Baking factory is planned for our pre-primary tiny tots.

Objective of this field trip:
