

Circular No.54 /2023-24

8th August 2023

Greetings from AVN Vida international School!

Dear Parent,

We are glad to inform you that the kindergarten wing observes "**GREEN DAY – SAVE EARTH**" on **Friday, 11th August 2023**. The colour green is associated with renewal, nature, energy, freshness, fertility and environment.

The main objective of this day is to **bring social awareness in the society through our Tiny-tots**'.

Hence to make "**Green Day**" celebration more inclusive we are organizing following events.

Activities for the day include:

- Plantation activity
- Green Day Craft
- Visit to Panchatantra Park
- Pledge to make "one small change" to save our planet.

Note for the Parents:

- Parents are requested to **send the children dressed in green colour and prepare your ward to speak two to three lines on Save Earth.**
- Encourage your ward to be an active participant.

"The Earth is our home, and it's up to us to take care of it.

Let's make every day World Environment Day"

Neebathir

Principal
