Dear Parent,

### **Greetings from AVN Vida International School!**

The different types of co-curricular activities in school are chosen to develop an overall personality of a student. Selection of the right kind of extracurricular activities at school can polish your child's skills and keep him engaged.

Co-curricular activities help a student concentrate more in the classroom and teach them valuable life lessons. The importance of extracurricular activities at school has been proven by many types of research.

Among different co-scholastic activities Skating / Martial Arts plays a vital role. Students have been given an option to select either of these activities. Kindly select the right one for your ward.

#### **Skating:**

If you would like to opt of skating, then kindly contact **Mr. Ali- 9885977270** for the selection of the right form of skates. Skates suggested by the **skating master alone will be allowed** for the classes. Students without proper equipment **will not be strictly allowed** for the skating classes.

#### **Martial Arts:**

If you would like to opt for Martial art, then kindly pay 1000/- for the martial arts uniform. The amount can be paid by cash or google pay to **Mr. Vijay-7075283066**.
