“Photographs Turn Moments into Timeless Art”

Greetings from AVN Vida international School!

Dear Parent,

Photography Day is celebrated on August 19th every year with an aim to pay homage to photographers who contributed to the fields of photography. Photographs can explain what even words can't.

“Happy World Photography Day”

In order to make our tiny-tots aware of the things beyond the class room we would be celebrating

“World Photography Day” on Monday, 21st August 2023.

Activities for the day include:

- Origami camera making -PP II
- Collage making with photos -PP I
- Colouring - Nursery
