

“Cleanliness drive”

Dear Parent,

Swachh Vidyalaya is the national campaign driving ‘Clean India: Clean Schools’. A key feature of the campaign is to ensure that every school in India has a set of functioning and well maintained sanitation, cleanliness and hygiene facilities. To produce a healthy school environment and to develop and support appropriate health and hygiene behaviours among the students, AVN Vida School will be conducting cleanliness drive, pledge and various competitions to make the students aware of the importance of cleanliness. The competition details are given below for your reference. The theme for all the competitions will be **“Cleanliness”**. Students active participation is highly appreciated.
