

"Grandparents are a delightful blend of laughter, caring deeds, wonderful stories and love."

Greetings from AVN Vida International School!

Dear Parent,

The relationship shared between a child and the grandparent is a pure and unconditional love. We invite our Grandparents for the **Grandparents' Day' which is to be held on 4th November 2023**, to cherish the wonderful and precious bond and solicit enthusiastic participation of the grandparents with their children in a range of activities and friendly competitions.

We invite **both maternal and paternal grandparents** of the child and grace the event with your presence.

Special invitation and other details of the event will be shared shortly.

Note:

- ❖ Dress code for grandparents: Retro.
- ❖ The special day is only for the grandparents of our pre-primary tiny tots. Parents are requested to give space for the children and their grandparents to have a joyful day.
- ❖ Lunch will be provided for our beloved grandparents and students.
