

Circular No. 92/2023-24

6th November 2023

"Violet is the colour of memories, nostalgia woven into a tapestry of emotions."

Greetings from AVN Vida International School!

Dear Parent,

We are glad to inform you that the kindergarten wing is celebrating "**VIOLET DAY**" on **Wednesday, 8th November 2023**. The colour Violet is often used to symbolize creativity, spirituality, royalty, nobility, luxury, power, and ambition.

The main objective of this day is to make our tiny tots recognise the colour Violet and the things associated to the colour.

Activities for the day include:

- Drawing and colouring
- Picture etching
- Show and tell

Note for the Parents:

- Kindly send any object in the shade of violet and prepare your ward to speak two to three lines about the same.
- Parents are requested to **dress the children in Violet attire.**
- Encourage your ward to be an active participant.

Neelakshmi
Principal
